

1. SNC will provide a container of suitable sunscreen for each team manager at the start of the season, and will top it up as required throughout the season.
2. Team managers will encourage each player to wear a hat and shirt when not playing, to apply sunscreen before each match, and to wear a visor while playing. Parents will be encouraged to assist with younger players.
3. SNC will endeavour to provide temporary shade at all carnivals that our teams participate in, if the venue has insufficient shade structures.
4. SNC will endeavour to provide temporary shade structure(s) at our new courts on all occasions when our players are required to attend on sunny days, (eg training, internal carnivals, other activities) until such time as approval and funding can be arranged for the construction of suitable permanent shade structure(s).
5. Players who wear netball uniforms without sleeves, are permitted to wear sun-safe shirts **under** their uniforms. Sun-safe shirts can either be long or short sleeved but must be either white or skin toned.
